## Straight Talk XII A Few Observations October 22 2011

Congratulations to all of you who are doing so well with your events, your launches, and your preparations! It's exciting to see everyone generating such positive energy. I continue to be blessed with great responses to Vistage, with ten members in the tent and lots of others in various stages of joining ☺.

This week, smiles will come from several directions. As always, I apologize up front for my political incorrectness...everyone will probably be offended a bit, but hopefully no one will take it too seriously. Here goes...have a wonderful weekend! Jay

### Sounds Familiar???

PERFECT HUSBAND.....

There are several men in the locker room of a private club after exercising. Suddenly a cell phone that was on one of the benches rings. A man picks it up and the following conversation ensues:

- Hello?
- Honey, It's me.
- Sugar!
- Are you at the club?
- Yes.
- Great! I am at the mall 2 blocks from where you are. I saw a beautiful mink coat... It is absolutely gorgeous!! Can I buy it?
- What's the price?
- Only \$3,500.00
- Well, OK, go ahead and get it, if you like it that much...
- Ahhh and I also stopped by the Mercedes dealership and saw the 2012 models. I saw one I really liked. I spoke with the salesman and he gave me a really good price ... and since we need to exchange the BMW that we bought last year...
- What price did he quote you?
- Only \$90,000...
- OK, but for that price I want it with all the options.
- Great! But before we hang up, something else...
- What?

- It might look like a lot, but I was reconciling your bank account and... I stopped by the real estate agent this morning and I saw the house we had looked at last year ... it's on sale!! Remember? The one with a pool, English Garden, acre of park area, beachfront property...
- How much are they asking?
- Only \$950,000...a magnificent price, and I see that we have that much in the bank to cover...
- Well, than go ahead and buy it, but just bid \$920,000. OK?
- OK, sweetie... Thanks! I'll see you later!! I love you!!!
- Bye... I do too...

The man hangs up, closes the phone's flap and raises his hand while holding the phone and asks to all those present: Does anyone know who this phone belongs to?

### Why Teachers Drink!

Is it really this bad??

\*ARE YOU SURE YOU ARE READY FOR THIS?

The following questions were set in last year's GED examination. These are genuine answers (from 16 year olds).....and they WILL breed.

Q. Name the four seasons.

A. Salt, pepper, mustard and vinegar.

Q. Explain one of the processes by which water can be made safe to Drink.

A. Flirtation makes water safe to drink because it removes large pollutants like grit, sand, dead sheep and canoeists.

Q. How is dew formed?

A. The sun shines down on the leaves and makes them perspire.

Q. What causes the tides in the oceans?

A. The tides are a fight between the earth and the moon. All water tends to flow towards the moon, because there is no water on the moon, and nature abhors a vacuum. I forget where the sun joins the fight.

Q. What guarantees may a mortgage company insist on?

A. If you are buying a house, they will insist that you are well endowed.

Q. In a democratic society, how important are elections?

A. Very important. Sex can only happen when a male gets an election.

Q. What are steroids?

A. Things for keeping carpets still on the stairs (Shoot yourself now, there is little hope)

Q. What happens to your body as you age?

A. When you get old, so do your bowels and you get intercontinental.

Q. What happens to a boy when he reaches puberty?  
A. He says goodbye to his boyhood and looks forward to his adultery. (So true)

Q. Name a major disease associated with cigarettes.  
A. Premature death.

Q. What is artificial insemination?  
A. When the farmer does it to the bull instead of the cow.

Q. How can you delay milk turning sour?  
A. Keep it in the cow (Simple, but brilliant)

Q. How are the main 20 parts of the body categorized (e.g., the abdomen)?  
A. The body is consisted into 3 parts - the brainium, the borax and the abdominal cavity. The brainium contains the brain, the borax contains the heart and lungs and the abdominal cavity contains the five bowels: A, E, I,O,U.(wtf!)

Q. What is the fibula?  
A. A small lie.

Q. What does 'varicose' mean?  
A. Nearby.

Q. What is the most common form of birth control?  
A. Most people prevent contraception by wearing a condominium. (That would work)

Q. Give the meaning of the term 'Caesarean section.'  
A. The Caesarean section is a district in Rome.

Q. What is a seizure?  
A. A Roman emperor. (Julius Seizure, I came, I saw, I had a fit)

Q. What is a terminal illness?  
A. When you are sick at the airport. (Irrefutable)

Q. Give an example of a fungus. What is a characteristic feature?  
A. Mushrooms. They always grow in damp places and they look like umbrellas.

Q. Use the word 'judicious' in a sentence to show you understand its meaning.  
A. Hands that judicious can be soft as your face. (OMG)

Q. What does the word 'benign' mean?  
A. Benign is what you will be after you be eight. (brilliant)

Q. What is a turbine?  
A. Something an Arab or Shreik wears on his head.

## Advice to an old guy....

An old guy was working out in the gym when he spotted a sweet young thing exercising...

He asked the trainer that was nearby, "What machine in here should I use to impress that sweet thing over there?"

The trainer looked him up and down and said, "I would try the **ATM in the lobby.**"
